

GRANT REQUEST INFORMATION FORM

Applications and Questions should be sent to: Community Requests Coordinator

DEADLINE FOR APPLICATIONS: JULY 31

Our club focus for donations is: *Improving the lives of others in Orangeville.*

Applications that relate to this focus will be given priority.

Please TYPE your answers to the questions below in the boxes provided.

Mailing Address:			

Please describe the Project for which you are requesting funds.

Who will be served by this request?

How does your request align with RCO's charitable focus this year (see green text above)?

How will RCO funds be used with respect to this project?

How else is this project being funded?

How will you recognize RCO?

Are you willing to contribute person power to our fundraiser (ie: Orangeville Ribfest) that supports your project, including planning, soliciting of corporate sponsors, day of, and clean-up? If yes, how?

Guidelines for Application:

- > Applications must correspond to our donation focus, as stated at the top of the application form.
- > We do not fund ongoing operating expenses. We prefer fixed term projects or purchasing of capital equipment.
- > It is expected that recognition of Rotary's assistance will be attached to the item or program.
- > Should we approve your request, a Rotarian from our club will act as Liaison for your funding request.
- > Members of your organization will be expected to contribute to our fundraising efforts dedicated to your project should you be approved.

Please Note:

Community requests for Rotary Club of Orangeville funding exceeds our ability to fund. It is therefore likely that we will be rejecting proposals, not because they don't fit our criteria but because we can't fund everything that does meet our criteria.

As such, our funding decisions are final and not subject to appeal because, frankly, we won't have the additional funds to contribute.

Thank You for your understanding.
