Welcome New Member!

Our newest Rotarian is Charilyn Wright. Charilyn is well known to most members, having attended functions and volunteered at events along with her husband, member Mike Wright. Welcome to RCO Charilyn, we know you will enjoy it and we look forward to working with you in Rotary!

Rotary Fall Fest: This Saturday, all day, Let's all support it!

Mike has done a great job on this project - now it's our turn to step up, volunteer and even more importantly, buy some Pig Roast Campfire Poets tickets!

Volunteers are needed:

- **Parking - Chair Bill Roy** - 2-3 folks 10:30 to noon and 2:15 to 3:30
- **Setup - Chair Fred Murphy** - 2-3 folks Friday morning 9:00am to noon

On the positive side, our sales of Drop tickets at the market have resulted in a record number of tickets sold! We do have about 70 to 75 Pig Roast & Campfire Poets tickets sold; we'd like to get 100!

District Governor's Visit:

Tuesday, October 9th - our regular meeting date

Every Rotary year, the District Governor pays a visit to every club in the District to deliver the Rotary message for their year. This year the DG is John Gilvesy, Rotary Club of Tillsonburg, Ontario.

Sports Hall of Fame Induction Dinner:

In 2005, RCO founded the Orangeville SHoF, starting a regular election and induction of important local Athletes, Builders and Teams.

This year's Induction Dinner is scheduled for Tuesday, October 16th at the Hall. More details to follow, but this is always a great evening with lots of special guests and a good keynote speaker! Be sure now to plan to attend!

Ribfest Sponsors' Recognition Night:

Every year we invite our Sponsors to attend a Recognition Dinner where we make public all the statistics from the current year's Ribfest, including the amount of the proceeds that we will have available to do good in our community. Again, always good to have a large turnout of RCO members to say thank you!

Food4Kids:

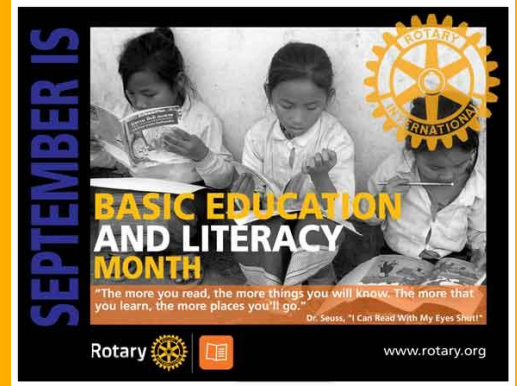

A Potential New Project for RCO and RCOH

Some 30 Rotarians and guests from RCO, RCOH, Rotary Guelph and the Food Bank listened to a most interesting program that provides food to very needy kids for the weekend (40 weekends out of the School Year). A Pilot Project for two schools in Orangeville is being contemplated. President Dave is seeking 4 or 5 RCO folks to join a committee to do the study and make a recommendation.

R.I. News:

Basic education and literacy is one of Rotary's six Areas of Focus. Consider these facts:

- If all women completed primary education, there would be 66% fewer maternal deaths.
- A child born to a mother who can read is 50% more likely to survive past the age of five.
- If all students in low-income countries left school with basic reading skills, 171 million people could be lifted out of poverty, which would be equivalent to a 12% cut in world poverty.
