## David Nairn

David's address was perfect for the theme of this evening's Student-focused theme. For 20 years, David has passionately lead our Theatre Orangeville through some exciting Seasons, not just in theatrical productions, but, as we saw this evening, further into our Community to reach all of us including some of the more challenged in our midst. Truly amazing things have been done, and there are more to come this August with The Dream on Island Lake production! Thank you David for all that you have done, and continue to do in Orangeville!

## Paul Harris Night Tues June 25<sup>th</sup>

Our club awards Paul Harris Fellowships each year to worthy community recipients. Members may also donate funds individually and be recognized.

The award recognizes a donation, in the name of the recipient, of \$1,000US to the Rotary International Foundation.

Paul Harris Fellows are asked to wear their medals and everyone will hopefully follow the tradition of bringing spouses, and dressing up in keeping with the importance of the meeting.

This year is even more special as it is also Presidents' Night as we say thank you to our outgoing President Dave, and our incoming President Richard - be sure to plan to attend this important RCO event.

## Summer BBQs start in July

Our BBQs are held most Tuesdays during July and August, and are hosted by various Club Members.

The format is "Pot Luck" with everyone attending bringing along an appetizer, a salad, a dessert, or similar, to supplement the Main Course provided by the host. Each host is compensated in part in the amount of \$200 to help defray their costs.

Two or more Members can also co-host a BBQ to share the load; they would just need to choose a convenient location. Susan will be looking for Hosts soon.

### The dates are:

July 2	BBQ _____	Aug 6	BBQ _____
July 9	BBQ _____	Aug 13	BBQ _____
July 16	BBQ (ribfest Mtg)	Aug 20	RCO Golf Day
July 23	Restaurant Celebrate	Aug 27	BBQ _____

## NINGABIANONG WEST

THE WESTERN DIRECTION is the adult stage, the time of harvest. The sun goes down and night comes. As adults we appreciate and enjoy the fruits of life, and learn to accept aging and change. Adults bring love, hope and nurturance. Sage is a purifier and smudging clears our minds and hearts. Sage will turn black when left outside.
