Ile-a-Vache Update

Fish Pond is progressing; here's the latest photo. nearly 100 people came out to work this week. Very tough times in Haiti as there is an uprising again. Food is scarce as stores are not open and its too dangerous to go to the mainland.

Rotarian Lynda has responded to our local contact: "knowing how difficult things are, I am even more grateful for Bruce's idea to dig out the fish ponds this summer." Our project takes on even more meaning as we hear details!

We are delighted to report that a member of the RCO family, Howard Sproston, was the recipient of the District 7080 Rotary Partner Award!
