## FallFest *Less than 3 weeks away!!*

The Club approved repeating the project this year, with several improvements to simplify it and focus on the Dinner and Entertainment, with the 50/50 included, but as a separate feature.

As with any project, success is only achieved when every member participates either by selling the tickets, or attending (or, ideally doing both!)

Several members have worked extremely hard, lots of hours, and now we need everyone to pitch in!

### 1. Golf Ball Drop Tickets:

To date, we have sold tickets at the Market on 3 Saturdays. Our total sales to date are about 330.

**We have 2000 total to sell!**

### 2. Fall Fest Pig Roast Tickets:

To date, we have sold a total of 17 tickets to the Dinner and Campfire Poets Event.

**We have 200 total to sell!**

**So it's crunch time; big time!**

Every Rotarian has 2 books of Drop tickets to sell, so please do so asap and return your ticket stubs and money to Mike; we need some idea of sales.

**Please get your sold ticket stubs and money to Mike between now and the Ribfest debrief meeting Aug 29<sup>th</sup> when we need to make decisions.**

Two opportunities to sell tickets this coming Saturday.

**The Market - from 8:00am to 1:00pm**

**No Frills - from 8:30am to 4:30pm**

Please volunteer, we need just a few hours from you to make this project a success!

## Summer BBQs - None Left!:

**Sep 10 No Meeting at the Hall (see DG Visit)**

### Visit with our District Governor

**Mon. Sept. 9th in Bolton**

**Dufferin, Erin, Caledon, Cluster:**

This cluster event was created to ease the time and cost commitment for the DG and district.

District dues are remaining the same without cutting programs.

Instead, DG will come to special events and occasions when asked to attend. DG came to Ribfest in July.

Our Cluster celebration will be in Bolton.

Details in the Punchbowl Invitation.

**Sep 24 Business Meeting at the Hall**

*Our first meeting back at the Hall!*

## Ribfest Debrief

**Thursday, Aug. 29th  
6:30 at the Hall**

The plan is to go over all aspects of this year's event to record what went well, and what did not.

Please plan to attend and bring along your notes, thoughts and constructive criticism.

## Sponsor Recognition Dinner

The Board has reserved our normal meeting date of October 22nd for this.

A list of Invitees will be prepared shortly to ensure we invite all our great Sponsors to celebrate with us!

# Overdose Awareness Day

August 27, held at the Edelbrock Centre from 5:30 to 7:30;  
BBQ sponsored in part by RCO. *Website description of the event:*

The event aims to raise awareness of overdose and reduce the stigma of a drug-related death. It also acknowledges the grief felt by families and friends remembering those who have met with death or permanent injury as a result of drug overdose.

We encourage ALL community member to attend to learn about things you can do to recognize signs of addiction and to help spread the message that the tragedy of overdose death is preventable. Wear Silver to show your support.

THANK YOU TO THIS YEAR'S SPONSORS:

# Natural Playground

## More Progress:

The foundation is in place for the Climbing Wall and the Stone for the Wall has been delivered - construction has started.

The two Sideways Tree Climbers are scheduled to be delivered after Labour Day.

# Event at Islands Lake

Good to hear the credits mention RCO in the list of Donors to this largest ever production by Theatre Orangeville .

Our donation of the Ribfest 50/50 Lottery went to Theatre Orangeville in support of the CPOS group and Community Living Dufferin.

*Rotarians and family enjoying the evening!*

## The Stage

The stage at the beach is a fantastic venue for productions like this.

Might be worth exploring if RCO could hold an event there sometime?

*Bravo!*

# Haiti Projects Update

## The Fish Pond

The Fish Pond is now completely dug to 7ft deep. Next steps are to allow the silt to settle, then shock the water with some chemicals and let it sit again. Process takes 2 to 3 weeks and then the fish are put in.

## The Chicken Coops

Work on the chicken coops has started; they are using mud from the Fish Pond excavation to level the land for the Chicken Coops.

Reminder of how the Fish Pond has been dug - all by hand, and now 7 ft deep!
