Welcome Home President Richard!

We are delighted to report that President Richard is now at home following an amazing recovery from his surgery!

We will advise when it will be OK for Richard to have visitors - for a while, isolation from possible infection is essential.

Once again, welcome home Richard!

Upcoming Rotary Meetings:

Tue Sep 24 Business Meeting

(be sure to attend as we return to the Hall after Summer)

- Financials for 2018-19
- Financials for Year to Date
- Charitable Account Status
- Important Voting
- Ribfest 2019 Profits

Tue Oct 8 A Very Special Meeting!

(Details will be circulated very soon, but all members should definitely plan to attend!)

Tue Oct 22 Ribfest Sponsor Dinner

Tue Nov 12 Business Meeting

Tue Nov 26 tba

**FallFest
This Saturday!**

It's finally here and promises to be another day of good fun and entertainment.

Ticket sales have been just OK for both the Golf Ball Drop and for FallFest itself. We hope to break even.

There is still time to join fellow Rotarians and guests for Dinner and the Campfire Poets - get last minute tickets from Mike, or Dave as soon as possible.

THE CAMPFIRE POETS

To those who have sold tickets, attended the Market each week, and have committed to volunteer on the day of the event - your participation is greatly appreciated!!!

Back to the Hall Sept. 24th!

After a long Summer of BBQs, Ribfest, planning FallFest and much progress on many of our Projects, it will be good to get back to regular meetings at the Hall, for Business, Fellowship, New Projects, and Great Food from Kelly - Yum!

Rotary  PEOPLE OF ACTION

Yours in Rotary,
Don Voisey,
Editor for today

Cluster Celebration:

A first for District - replacing the District Governor's visits to each club, this year saw visits to each Cluster.

This year's event was hosted by the Rotary Club of Bolton.

Along with the DG's message, each Club in the Cluster presented the highlights of their Projects, Events and Activities.

Our Club was well represented. Thanks Mike for the photos.

Our Trail Pavilion

The upgrade landscaping work is now complete and a few Rotarians and friends met to reposition the picnic tables - thanks folks!

Next steps are a Painting Work Party and some new signage inside the Pavilion to show that RCO donated the structure.
