### Polio Day:

### Santa Claus Parade:

Saturday, November 16<sup>th</sup> starts 4:30pm

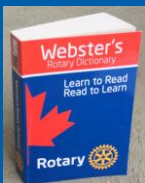

2018 Best Overall Entry Float - Ours!

On Parade Day, we need volunteers to ride on the float and some to walk alongside for safety and to wave to the crowd along the route.

This year's theme is "Orange You Glad It's Christmas" asking everyone to "Paint the Town Orange" and show something we love about the Town - we plan to do precisely that, so come out at 9:00am on Build Days to help us to build!

Each year RCO & RCOH join together to build a float.

Rotarian Volunteers build it at the Agricultural Centre on two Saturdays, Nov 2<sup>nd</sup> & Nov 9<sup>th</sup>.

### Dictionaries:

English Dictionaries are here; French one to come soon; coordinate your participation in the excellent project with Chair Bill Roy asap.

### Salvation Army Kettle:

Each year we volunteer to stand by the Kettle at the LCBO store on Broadway one Friday evening and one Saturday al day.

Details will be available shortly. Plan to sign up for a shift or two.

This is always a perfect way to start the Christmas Season and to show Rotarians - People of Action - at work in the community.
