Christmas in the Park:

RCOH approached us, asking us to join with them this year in a joint "Rotary Clubs of Orangeville" display for Christmas in the Park.

We accepted, so now it is the same as our Float in the Santa Claus Parade.

Thank you Charles for joining in the setup crew on short notice; maybe next year we can have a few more RCO volunteers.

Salvation Army Kettle:

RCO participated once again in this annual campaign. Thanks everyone for volunteering - certainly fun and rewarding every year!
