## News from the Board:

During these difficult times, the Board has been holding Zoom Meetings to keep on top of what to do about RCO meetings, events and projects. On Saturday, the following decisions were reached:

### Let's Make Orangeville Shine:

Regretfully our 30th edition of this Community Event will be cancelled for 2020.

### Ribfest 2020:

Regretfully our 11th event will be cancelled for 2020

### OSAT Tree Planting BBQ:

Regretfully we have declined to participate in this event - and have confirmed it is cancelled by the Town.

### RCO Donations to COVID-19 Needs:

RCO does have charitable money undesignated as yet. The Board decided that we would wait a bit before deciding what we can do to help where most needed, and to get the best value out of our donation. All suggestions from members will be welcomed and will be considered as the Board discussed this over the next few weeks.

### Member Directed Funds:

Despite the above decision, many members are looking to help various charities immediately, and here is one way you can do so - Member Directed Funds. Every Member, and our Corporate Members, have \$200 that can be sent out immediately. Simply email Fred Murphy, copy Don and Ingrid, and we will make arrangements for the cheques.

See the list in the column to the right for recipients of our 2019 MDFs.
