News from the Board:

The Board continues to be active via Zoom Meetings each week, and by email, to maintain the business of our Club.

Vote re District Grant and Support for our Hospital:

As you know, a call went out to the Club for to vote to apply for a special District Grant to provide funds for needed equipment for our local hospital.

We are delighted to report that 83% of eligible member votes were cast, all in favour of the Motion - thank you everyone who voted!

As of today, we have not heard that the grant is approved, but it looks very promising and we should hear from District shortly.

Interesting News From Montgomery Village School:

Rotarian Dave heard some interesting news from Marc Mailhot about the School Board. The UGDSB has a number of 3D printers, and the news is that all are being used to make face shields for the front line workers during this pandemic - pretty cool, and certainly news worth sharing! Thanks Dave!

Cancelled Projects and Events:

As you see in the column to the right, most District and other Rotary programs, are cancelled. Indications are that the Club will receive refunds, that we can then put towards these worthwhile programs in 2021.

Member Directed Funds:

21 of 36 eligible members have already directed their funds, and cheques have been sent out.

For the balance of members, simply email Fred Murphy, copy Don and Ingrid, and we will make arrangements for the cheques.

The list to the right shows recipients so far for our 2020 MDFs.

Contact with Members:

As we are not meeting on a regular basis, President Richard and the Board would encourage Members to reach out if you have any concerns, or know where we might be of help in our Community - we Zoom meet every Saturday morning and can discuss it then.
