### Rotary and Polio Plus

In the midst of the COVID-19 pandemic, it's more important than ever to recognize the power of vaccines and immunizations, which save millions of lives yearly.

The Canadian government has announced a four-year financial commitment of \$47.5 million, annually over four years, to support the endgame strategy of the Global Polio Eradication Initiative.

Rotary clubs throughout Canada welcomed the new pledge as a continuation of the country's leadership and partnership to support polio eradication. Canadian Rotary clubs have worked closely with the Canadian government since 1986, when the country became a donor in the fight to end polio. Since then, Canadian Rotarians have contributed more than US\$41.3 million to PolioPlus.

### The President's Corner:

*This is our first Fundraising Event since the Covid-19 shutdown, so let's all get involved! Volunteer, but if you can't, please buy some Ribs or Scooter's Food!*

*Also, please share the news with your Family, Friends, and anyone you can think of, so that we get a good turnout!*

*Taunya Bailey, President*

### Upcoming Rotary Meetings:

#### Board Meetings

The new Board will be meeting July 21, 2020, via Zoom. Should any member have anything they would like the Board to discuss, please email President Taunya and Secretary Don and we will put it on our Agenda.

#### Club Meetings

Our first Summer Club Zoom meeting will be **Tues. July 28 at 7:00pm**. Link and details will follow shortly after the Board meeting.

### RCO & the Oddfellows Hall

Contract arrangements have now been made for this new Rotary year. We will be paying minimal rent, monthly, until such time as we are able to hold our regular meetings there.

It is also our intention to continue Zoom coverage even when we can meet at the Hall as we know some members may be hesitant to meet in groups.

But we want everyone to feel involved  
- as the song says:  
we will meet again!
