

Natural Playground at Island Lake!

CVC have advised that construction is proceeding well, and is on schedule for completion mid-August. The plan is to hold a tree planting and grand opening in early September. In the meantime, here are progress photos from this week - looking good!

New, smaller elements almost complete, and lots of carved log benches

Note, in the background below, one of two new covered Picnic Shelters now under construction!

The Climbing Wall was completed last Fall

The Stream Water Feature below is almost ready

The Rotary/Lions bench will be located at the entrance to the playground
