## More Club News!

- **Club Calendar:** This is still being updated but should be ready to issue following the Board meeting next Tuesday, August 18th.
- **Club Committees:** Every member is being contacted by one of the Directors to confirm where they would like to serve this.

We are really looking forward to involving every member this year - these are challenging times and we all need to go that extra step to make RCO a success!

- **Proceeds from Ribfest, the Concert and the Telethon:** A photo op is set for noon, Tues. Aug 18 at the Hospital.

All volunteers from the event are welcome to attend - we'll meet at the Rotary Pavilion by the Emergency entrance and do a proper, and appropriate, "6 Feet Apart" presentation.

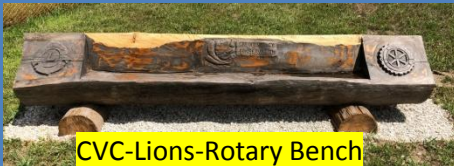

- **Natural Playground:** Completion still set for mid-August with the Official Opening in September!

Ball Run & Marble Table

Amphitheatre

CVC-Lions-Rotary Bench

- **Club Meetings:** As we are unsure when we can meet again at the Hall, we will continue with our Club Zoom meetings throughout the Summer and on into the Fall if necessary. We are also exploring setting up camera(s), microphone and speakers so that the Zoom format can continue even after we are able to hold Hall meetings. Thank you to all those members on tonight's call who offered some really good comments and suggestions. Update news will follow after the August Board meeting.
- **Human Trafficking:** You will recall an earlier Zoom Club Meeting when we had a presentation from Dufferin Victim Services. We agreed to pursue this to see how RCO could assist in some way with an education program to spread the word that this problem exists right here in our Community. Bob Burnside has been keeping this progressing but now is the time for a few members to step up and get involved to make this happen. Please call President Taunya to volunteer. Thank you to those members who volunteered during tonight's meeting!

## More Business:

### Rotarian of the Month

President Taunya will be recognizing the efforts of one Rotarian each month throughout the year. We look forward to hearing who it will be for August at our August 25th meeting!

### RI Nominates First Woman President for 2022-23

Jennifer E. Jones, a member of the Rotary Club of Windsor-Roseland, Ontario, Canada, has been nominated to become Rotary International's President for 2022-23.

This is a groundbreaking selection that will make her the first woman to hold that office in the organization's 115 year history

Read all about Jennifer in the attachment included with this issue of The Rotooter.

### Don't Worry, She's Still a Rotarian!

Your roving reporter came upon this photo op recently and was able to confirm that Nancy is not going over to the Optimists!

She is simply continuing her generosity by contributing from Booklore in support of an Optimists' project.

Nancy also told us tonight that a substantial donation is to be made to Choices Youth Shelter - proceeds from a recent Booklore Author signing event!

*Thank you Nancy for all you do to support our Community, and our Service Clubs - even during these challenging times!*

*Have a Great Two Weeks until our Next Club Zoom Meeting!  
See you all August 25th*
