

More News Update - Lots Happening!

Even in these strange times, there is lots happening with Rotary and around Town.

Seniors' Markets:

The Seniors' Markets have begun! RCO obtained a grant to work with the Food Bank to provide regular Markets at Seniors' Homes, 2 in Orangeville and 1 in Shelburne.

Lynda and Dave are the RCO folks involved. The photos show activity from a recent Market.

Dave and Lynda are happy to have RCO members, 1 or 2 each market, join them in safely participating, so if you're comfortable with this, contact them for dates.

(And no, that's not what you think - its really food in those cartons!)

Great to see Rotarians and our Banner doing good out in our Community!
