

Happy
Valentine's
Day

and Happy Family Day

Beautiful Day - CVC Island Lake is packed. Ice Fishing, Cross Country Skiing, Taril Walking, and the newest feature - Trail Skating!

The Natural Playground, co-sponsored by RCO and the Lions Club with the CVC Foundation, is now a year-round attraction. On Saturday, the Skating Trail opened and it was very busy today. Families were even enjoying the bright sunny and warm afternoon on the Climbing Wall, the Climbing Trees. Perfect!

Not sure this is what they had in mind!
