The CRYNOT Committee has prepared many activities to promote this National Day, February 22, 2021 - as follows:

Postings:

 - has a link to the **CRYNOT** website
 - also has a link to the video <https://youtu.be/2B6TjDwt-GU>

Radio Spots:

- these are already on air, on myFM "and sound fantastic".
- both, the radio promo and the video are available on the front page of the **CRYNOT** website.

Press Releases:

- have been issued to the Banner and the Citizen; watch this week's papers for the articles.

Proclamations and Photo Ops:

- proclamations have been arranged with the Towns of Orangeville and Mono.
- photo ops will be added to the **CRYNOT** website and social media.

The CRYNOT Committee, made up of members from Compass Church, RCO and our Community, have taken some major steps forward as we follow the mandate of providing Education to our local Dufferin/Caledon Community - where the problem does exist!
