Catch-The-Ace Raffle

It's Live!

After almost 18 months of preparation, we have launched the “Catch-the-Ace” Raffle which is a fundraiser for our club. There are currently 16 Rotary Clubs in Ontario that have signed up to participate and another 10 clubs that have expressed an interest.

The first draw will be on October 28th and then weekly thereafter. Tickets are now available for our club members and the public to purchase.

To purchase a ticket, click on the link below to access the Catch-the-Ace website.

<https://rotaryraffle.online/rotary-club-of-orangeville/>

Click on the “**Buy Now**” button and follow the instructions:

1. Choose your card for the progressive jackpot
2. Purchase your ticket for the weekly draw
3. Complete your name & address
4. Be sure to click the drop-down menu and select RCO as the Club to support!
5. Make payment with your credit card
6. Your tickets for the draw will be emailed to you

Our club goal is to sell 50 tickets at \$20 per week. This will bring in approximately \$1,000 per week. Fifty percent of the \$1,000 will go to the winner and progressive jackpot. The remaining 50% less admin costs will go to our Rotary Club specified charity/charities. The recipients of this draw will be the **Hospice Dufferin and Choices Youth Shelter.**

If you have a friend or family member that lives in Ontario and would like to participate, please send the link. After they have participated in the draw once we will continue to email them with updates. This will help our club grow our fundraiser.

Let’s get behind this fundraiser. We are excited as this could potentially raise significant funds for our communities as it builds in its awareness and participation in the Province of Ontario with little manpower requirements from our club.
