

2022 - Let's Hope it's Happy, Healthy & Safe!

Although the numbers are scary at the moment, hopefully this new wave will be different - (more contagious, yes, but shorter duration they say).

At any rate, there are just 6 months left in Rotary Year 2021-2022, and there is lots for RCO to do - some fundraising, some disbursement of the Charitable Funds we already have, and lots of opportunity to do good in our Community - let's all pitch in - and do it!

News and a few Reminders:

Dave Proctor is **still looking for a couple of Vounteers** for the short, 6 weeks, Zoom, GrandPals program.

Training is Jan 11th - Contact Dave at 519-217-0457 or email.

The Ace has been Caught!

The Winning Pot was \$2,235. A new Draw will begin later this month - details to follow.

So, How Does the Raffle Work?

Raffle Chair, Ingrid, explains:

Every week, there is only one weekly winner who is the holder of the ticket with the number that is drawn for that week.

The card selected by the winner has no impact on the amount the winner gets, unless the winner has selected the Ace of Spades (as *just happened*) they win the weekly jackpot and the progressive jackpot. A new one starts a week or two later.

- The weekly prize amount is 20% of the weekly ticket sales;
- the \$168 prize amount in the Dec 9th Draw, is 20% of total ticket sales for that week - \$840.
- \$252 (30% of \$840) went into the progressive jackpot, and \$420 (50% of \$840) went into the charity pot.

When the Ace of Spades is selected, the charity funds are then distributed based on each Club's percentage of total tickets sold.

As of December 30th, RCO has \$960 of ticket sales, which is about 12.89% of total ticket sales of \$7,450., less expenses, will be about \$450. for our charities - Hospice Dufferin & Choices Youth Shelter.

RCO is 3rd in ticket sales of the 18 Clubs (RC Mississauga \$1,825 & RC Guelph Trillium \$1,360)

Ribfest: Our Jan 11th meeting will be Ribfest focused as we kick off planning for Ribfest 2022.

This is a crucial process as we need to plan for a Regular Ribfest (as well as Plan B - Drive-Thru if we are forced to do so).
