

Updates after Tonight's Board Meeting

Your Board met again tonight to continue the Club's plans, projects and events; all the details follow:

Charitable Donations - (balance of year)

There are a number of things we support most years and we plan to bring to the Club a few Motions for approval so that when the details are known as to cost and dates, we will have authority to sign up immediately to ensure our participation.

Examples include Adventure in Citizenship, RYLA, Camp Enterprise, Grade 3 Dictionaries, etc.

- Hot Chocolate on Family Day**
(Sun. Feb 21st 10am - 4m)

Amy has some great plans for RCO to participate in the Island Lake festivities for Family Day. All we need to do now is to volunteer for a shift or two to make this fun event a success!

- Dictionaries**
(Grade 3 Students)

Amy is close to finalizing arrangements with the Schools to hold this annual presentation to students, although it may be virtually. Motion to follow shortly asking for approval for the expenses once we have a final number of students.

- CryNot Webinar**
(Tues. Feb 22nd 2022) 
(Human Trafficking Awareness Day in Canada)

Lots of planning has gone into this to ensure it is a professional presentation. Planned is a Moderator, a Panel, a Video, and a Q&A Session, all via Zoom. Newspaper and Social Media Promotion will be arranged.

There are costs involved for (ads, Zoom License and Video Production). These costs will be shared equally with Compass Church. As such, it has been Moved by Doug, Seconded by Charles, that RCO contribute to the costs of producing the CryNot Webinar in the amount to RCO of \$750. Separate email to follow will provide details and call for a Club e-vote.

Club Meetings - (format)

Meetings will continue through January & February via Zoom only. The Board will assess conditions prior to March to see if we can return to the Hall with Hybrid Meetings - in-person and via Zoom. No arrangements have been made regarding Catering as it is felt this need is a while off. A new caterer will need to be found as Kelly has retired from that business, unfortunately.

Speakers

In order to make our Zoom meetings as interesting as possible, Speakers will be arranged for as many meetings as possible. We will continue with making Ribfest Planning part of our regular Meetings, (*generally the last meeting of each month*), as this is a critical fundraising event for the continued success of our Club.

Cheers to Love

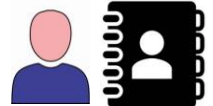

(Sat. Feb 15th
Social & Club Fundraiser)

Tickets are going fast (*limited to 20 couples, so sign up with Ingrid asap*). Sounds like another excellent, fun evening - last year's Taste of Tuscany certainly was!

Club Requests

(Member Photos & Roster check)

Please send Secretary Don your individual member photos and your revisions, if any, to the Club Roster contact details. Thank you to all who have sent in some really great photos (10 of 26 in to date).

Catch the Ace

(CtA 2.0 is underway)

Only week #2 and the Pot is already \$1,000 so be sure to enter, and enter often, in support of our two Charities.

Coldest Night of the Year

(Feb 26th)

RCO has a Team in this fundraiser for the Food Bank, so be sure to log on and join the team, or support it with a donation. More detail will follow later this week.

Ribfest 2022

(Planning is Underway)

Regular discussions will be held at our meetings for the balance of the year as we plan for this important event in our Club Calendar. Separate smaller meetings are being held to work out the details and regular reports will be given. Remember, all members are on the Ribfest Committee - there's lots of work to do!
