**Dictionaries**  
**1<sup>st</sup> Volunteer Opportunity**  
(afternoon Tues. Feb 22<sup>nd</sup> 2022)  
*that's this Tuesday!*

The dictionaries are being delivered to the Hall on Tuesday, February 22nd, and in the afternoon, a crew will sort them out into Schools, apply RCO labels and prepare boxes for delivery.

**2<sup>nd</sup> Volunteer Opportunity**  
(morning Tues. March 8<sup>th</sup> 2022)

This is the day the dictionaries are to be delivered to the schools. Some volunteers are signed up, but more are needed,

The task is simple, just pick up the boxes for a school or two, take them to the front door and hand them in. We cannot do the usual, in-class, presentation, this year due to COVID.
