

Today's Program: Ribfest Co-Chair Mike

As we get closer and closer to the date of Ribfest 2022, there is lots of progress in every area, as Mike reported:

Remember 2019? Well that was our last, real, full-on Ribfest as shown in this photo. We anticipate returning to this scale for 2022.

But - it will take every able bodied Rotarian to make it a success, so, when the call goes out for Volunteers, please respond quickly with what you would like to do and what your family, friends and neighbours can do to help out - **thanks!!**

Sponsorship Opportunities

Very soon the Packages will be sent out to previous year's donors, and others. Rotarians will be asked to follow up with them to discuss sponsorship for 2022 - **thanks again!!**

The President's Corner:

President Elect Charles stepped up to Chair the meeting as President Taunya was off somewhere sunny & warm!

Hearing Aids Opportunity

Sent out with this edition of the Rotooter is an email that outlines how to have someone who is financially unable to afford hearing aids, to get them free. If you know anyone in that position, give it a try.

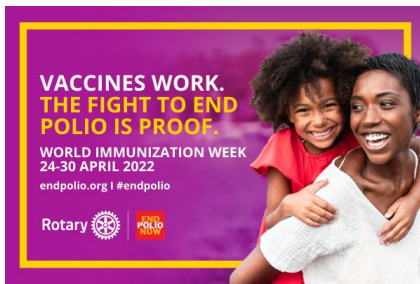

Let's Make Orangeville Shine 2022

It's all arranged for Sat. May 14, 2022 - great work Committee - Sheri, Ed & Charles!

World Immunization Week 2022:

The success in the virtual elimination of Polio in the world by Rotary, and partners, is highlighted this year during this special week in April.

- Since 1988, polio cases have been reduced by 99.9%!
- An estimated 20 million children have been saved!
- In 1985 polio paralyzed 1,000+ children every day in 125 countries!
- Today, only 2 countries remain wild polio-endemic!
- Rotarians have donated more than \$2,2 billion dollars to end polio!

Manchichi Project Panama - Update

Margaret sends this quick update (attached).

Progress since the last update in December has been rather slow due to residual Pandemic concerns (new variants) and some bureaucratic delays in getting the final pieces of the program in place.

It was almost exactly a year ago that the team of dedicated Ngabe women were hired and trained for the community assessments phase that allowed us to apply for and receive the Rotary Global Grant.

We are confident that we are on track for a more robust training restart in the coming months. Looking forward to unleashing the powers of good planning, and collaborative execution to see what can be accomplished in the days ahead to push forward this worthy and impactful project.

Your continued support is invaluable, Jeff
