

Today's Program:

Danielle Gibb,

**Director of Leadership and Planned Giving
Headwaters Health Care Foundation**

Danielle has been a leader in the non-for-profit industry for 12+ years with extensive campaign experience at Southlake Regional Health Centre Foundation, Holy Trinity School and Rose of Sharon Services for Young Mothers.

She is excited to connect with a caring community who truly values health care available close to home.

Danielle is a mom/step-mom to four amazing kids, two dogs, two bearded dragons and a guinea pig. She enjoys spending time outside with her family and golfing.

Our Hospital was founded, by the Lord Dufferin Chapter, IODE, 00 years ago, and just celebrated 25 years in its new location. Over the years, RCO has donated a total of more than \$329,000 to the Foundation!

Some statistics - During the year, 84 babies were born, 33,286 visits were made to Emergency, 1,435,866 lab tests were given, and there were 5,600 Inpatient Admissions - truly a very busy place!

Even during Covid, the Hospital kept on innovating, launching CARE4, an integrated, seamless system of care, and a Clearer Picture Campaign with all digital radiology.

Although the Gala will not be held, the June Golf Tournament is all sold out, the smaller Sept dinner will be for 300 people, and the Tour of Headwaters Cycling event will take place in October.

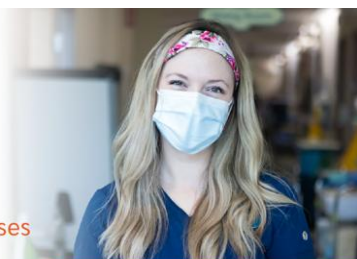

An excellent presentation about our more than excellent Hospital!

Club News:

PRESIDENTS NIGHT!

Planning is underway to hold this important meeting of the Rotary year end, **in person**, at the Hall with a full meal and the usual ceremony.

The purpose is to thank President Taunya for two great years as our President under challenging conditions due to the pandemic, and to welcome President Elect Charles to the position of President for 2022-2023.

Raffle #2 continues and the pot is now over \$3,200!, so please continue to participate - love to see an RCO member or friend win the pot!

Rotary Park Redevelopment

Don and a couple of other RCO members have been meeting and discussing this Master Plan Concept for some time now.

RCO has made some important contributions to the Plan and will continue to work with them.

The timetable is to present the Concept Plan to Council in May for approval, and request to implement it asap.

There is one feature item in the Plan that appears to be an ideal one for RCO to take on as a project, and it looks like this may be able to progress to the point that we can promote it at Ribfest for donations - more on that soon - with a presentation to the Board and Club for approval.

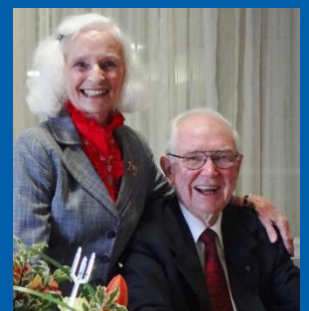

Exciting - stay tuned for details.

Happy Birthday John Russell!

On May 15th, John will celebrate his 96th birthday!

John thanked RCO last night for our Zoom meetings so he could continue his 70 years in Rotary - amazing!

All the best John!!!!!!

Ribfest 2022

While the next Committee meeting is May 24th, Mike will be reaching out to leaders of various sub committees to see that things are progressing, answer any questions, and just keep in touch to make sure things are progressing well.

This is a big event for us this year, after two Drive-Thru events, so we want to be fully prepared and ready to go!
