

What's of Interest this Week?:

PRESIDENTS NIGHT!

Tuesday, June 10, 7:15pm at the Hall and on Zoom

Be sure to let Lorna know if you will be at the Hall (for some nibbles and libations) or if you will join us by Zoom. **Signup date for food at Hall is June 10th!**

We hope as many members can participate as possible, both to thank President Taunya for a great job during 2 challenging years of COVID, as well as welcoming incoming President Charles to start us off on a brand new Rotary year!

Doc's Auction

Tuesday, June 24, 6:30pm at the Hall and on Zoom

Not to be missed - everyone needs to contribute an item or two, and everyone needs to bid on and purchase an item or two - the proceeds all go to keep our annual dues low, so if no proceeds, dues go up!

GrandPals Celebration

It was Last Week and was a Great Event!

Thanks to Dave Proctor, GrandPals continued to flourish during the pandemic, and an outdoor Event was planned for the Students and Seniors to get together over lunch to hear the Students' presentations. Thanks Dave!

The Students arrived

Catch the Ace

Still active; over \$4,400; please keep participating to support our Charities! Go to our website and get yourself a ticket for the weekly draws. Would be nice to see an RCO folk win!

Ribfest

Only 5 weeks away; Clear your calendar so you can participate! Sign up now with Ingrid if you, your family & friends can volunteer, and, for sure, please plan to attend July 15 16 17!

RCO Golf Day

Thank you for voting! Looks like enough folks will golf and/or dine if the date works for them. And that seems to be Tues. Aug. 30th. Details and sign up closer to the date.
