13th Annual ORANGEVILLE ROTARY RIBFEST

14th Annual
Orangeville Rotary Ribfest

July 14, 15 & 16

Ribfest 2023:

Another great Ribfest coming up.
July 14, 15 & 16. No midway this year but lots of great events.
The car show, kidsfest, great bands.

Why am I a Rotarian?
My name is Ed Kampen, a corporate member through Watermaker.
The Rotary Club of Orangeville provides me with great opportunities to serve my community with events such as Let's Make Orangeville Shine which promotes community stewardship and environmental responsibility.
Through the Ribfest the Rotary Club supports community building projects such as park improvements.
I really enjoy the membership meetings. Great conversations and connections over nicely prepared meals.
If you want to get connected with others and make your community better, join the Rotary Club of Orangeville.
